Wuala – Free Decentralized Online Storage

Posted October 20th, 2007 - 23:19

1
vote

Wuala is a free storage service for anybody who wants to store **Ads by Google** or share their stuff on the web. Unlike any other storage service, Wuala is completely decentralized, which means they won't store your data on their servers. Instead, they make use of unused space on participating members' hard drives to build large, secure and [...] [Read Original story](#)
